Interested in Improving Your Smile with Invisalign®?

Invisalign® is an alternative method of straightening teeth without the hassles of traditional braces. Treatment is completed using a series of clear aligner trays to straighten teeth. This is the ideal solution for patients with mild to moderate crowding and spacing concerns.

Pre-treatment exam and evaluation will be required to determine if an individual is a suitable candidate for treatment with Invisalign®.

Patients enrolled in The Teeth Doctor Dental Plan may receive up to a \$500 discount on Invisalign® treatment.
